What has TFDA Done for Me?

TFDA has been in existence as an association of professionals for over 100 years. You don't stay in business that long without accomplishments beneficial to the survival of the profession. Most of these accomplishments, although subtle, make a huge impact on allowing funeral professionals the freedom to care for giving families with the least amount of outside interference. There are too many achievements to list in such a short space; listed below are just a few of the most recent actions.

TFDA sponsored legislation:

Reduction of legal liability—Funeral directors cannot be sued, criminally or civilly, when following instructions from someone acting as next of kin, when there is no reason to believe otherwise.

Majority of legal next of kin— Now cremation can be performed with the majority of next of kin, i.e., siblings, as opposed to permission from every next of kin, with no legal backlash.

Disposition of unclaimed cremains—Funeral establishments are responsible for 180 days, and a standardized procedure of disposal, for

unclaimed human remains where before there was no time limit on possession.

Increase of Available Funds for Funeral Expenses—increased the amount from \$10,000 to \$15,000 that a bank may pay for funeral expenses when no executor or administrator qualifies, and from \$7500.00 to \$15000.00 for insurance claims with a copy of death certificate and funeral director statement.

Reinstatement Insurance Assignment to Funeral Establishment

At one time TN law prohibited the assignment of proceeds from a life insurance policy to any funeral establishment; TFDA was responsible for removing this prohibition.

Legislative Reception:

Providing TFDA members the opportunity of networking with legislators while showing our appreciation for the service they provide. The TFDA Legislative Reception provides the perfect setting to get better acquainted with the leaders of our state's legislative body. TFDA needs to inform our State House and Senate members we stand united as a professional organization.
